Presented by The
Senior Class '53-'54

Ahoskie High School

Foreword

Using as a general theme a typical day in the life of an Ahoskie High School student, the staff of the "Chief" presents for your enjoyment and approval the various phases of activity, curricular and otherwise, which make up our routine from dawn 'til . . . ! We sincerely hope that you will find such a day profitable and pleasant.

Well, the school pictures finally came, and they nearly caused a riot! Everyone was saying, "Do I really look like that?" "Let me have one of you." "I wish I had rolled up my hair the night before." No matter what the complaints were, practically all the students bought the entire two-dollar set. Mr. Newsome got in the act by posting his picture and labeling it "Pithecanthropus Erectus." There were times we thought we wouldn't,
But we finally got it done;
It took a lot of effort,
But we had a lot of fun.

*Here it is . . . we hope you

you gotta win tonight !!!

That's what we did!

Our final game was with one of our oldest rivals, but the Indians cut that Greenwave to a tiny "ripple" by a score of 27-12.
